NOTE: Although this class is fully online, there is a 20-hour field experience requirement, observing working with children in an educational setting (including schools, summer camps etc). However, you can fulfil the 20-hour requirement prior to the beginning of this 2019 summer 2 class during the 2019 Spring semester if you wish (for example, by continuing within the placement used for EDUC 210 from the Fall, or, if you're fingerprinted (or get fingerprinted) asking Paul Gasior (SU Field Experience Coordinator, Seidel School of Education) to place you in a local area school, during the Spring). There will be a mandatory meeting at the end of the spring semester to prepare for the summer 2 class. Any questions? please contact Dr. Phillips (class instructor) at dsPhillips@salisbury.edu
