

Financial Aid

www.salisbury.edu/finaid

GENERAL INFORMATION

What is Financial Aid?

Financial aid is any grant, scholarship, loan or paid employment offered for the express purpose of helping a student meet educationally related expenses. Such aid is usually provided by or through federal and state agencies, foundations, corporations, and the colleges and universities themselves. Grants and scholarships are regarded as “gift” assistance and need not be repaid although they may carry certain provisions.

Loans are usually offered at low interest rates and can be repaid over an extended period after the student leaves the institution. Where aid is offered in the form of a job, the student is paid an hourly rate for work actually performed.

The amounts and types of financial aid that students receive are determined through federal, state and local guidelines, and are offered to students in combinations or “packages” designed to fit applicants’ financial needs.

What is Financial Need?

Financial need is the dollar-amount difference between the funds students can provide and their University expenses. Salisbury University expects students and/or their parents to contribute to the fullest of their ability from income and assets in meeting University expenses. Financial aid is designed to supplement, but not replace, these primary resources. Therefore, the University’s aid programs are based on the financial need of families. It is students’ responsibility to apply for any additional scholarship for which they may be eligible.

ELIGIBILITY REQUIREMENTS AND PROCEDURES

To be eligible to apply initially for financial aid, students must meet the following criteria:

1. Be matriculated (formally admitted to the University).
2. Be enrolled in a degree-seeking program of study.
3. Be enrolled at least part time.

Once students are studying at Salisbury University and wish to reapply for financial aid, they must meet the following qualifications:

1. Remain matriculated.
2. Remain enrolled in a degree-seeking program of study.
3. Continue making satisfactory academic progress.

All students must reapply every year for continuation of financial aid, and are required to report to the Financial Aid Office any new scholarships, loans, grants and earnings from employment not recorded on the original, initial financial aid application. This information is used to reassess students’

financial needs and if needs are reduced, aid will be reduced accordingly. When aid must be reduced, the Financial Aid Office attempts to adjust the amount students will receive for the upcoming semester in that semester. But in cases where such adjustments cannot be made in time and students receive aid in excess of assessed need, the University bills students in the amount of the overaward.

Students who receive financial aid are notified in an award letter and must, in turn, notify the Financial Aid Office that they accept the aid awarded. Students who do not notify the office of their acceptance of aid awarded by the date indicated in the award letter are subject to aid cancellation.

GRADUATE FINANCIAL ASSISTANCE

A limited amount of financial aid in the form of graduate assistantships from the University, scholarships from the Maryland Higher Education Commission (Maryland residents only) other sources is available each year to selected graduate students. The William D. Ford Direct Loan Program is available to students whose classification is a graduate master’s or doctoral degree and are enrolled at least half time per semester. Internal scholarship opportunities also may be found by visiting the graduate studies website.

GRADUATE ASSISTANTSHIPS

Each year Salisbury University offers a number of graduate assistantships on a competitive basis. Information and available opportunities may be obtained from the Graduate Studies and Research Office by visiting www.salisbury.edu/gsr/gradstudies/grad_assistantships.html.

All graduate assistants will be eligible to receive a salary and tuition waiver. Full-time graduate assistants must enroll for a minimum of six credits, but no more than nine per semester will be covered by the tuition waiver. Tuition will be waived only for courses applicable toward graduate degree requirements. The waiver of tuition does not include waiver of fees.

Assistantships are generally awarded for one semester, beginning in the fall, and may be continued in the spring semester, based on the recommendation of the dean, department chair or graduate program director.

RETURN OF TITLE IV FUNDS POLICY

The federal government’s policy states that if a Title IV aid recipient (Direct Stafford Loan, Direct PLUS Loan, Pell Grant, SEOG) withdraws from the institution, either officially by withdrawing through the Registrar’s Office or unofficially by dropping out, during a period of enrollment in which the recipient began attendance, the institution must calculate the percentage and amount of Title IV assistance the student did not earn and return those funds to the Title IV programs. Once

60 percent of the enrollment period has elapsed, 100 percent of the aid is determined to be earned and no calculation is required. For further information please visit the financial aid website.

APPLICATION PROCEDURES FOR UNIVERSITY FINANCIAL AID PROGRAMS

Students who wish to apply for financial aid must complete a Free Application for Federal Student Aid (FAFSA) indicating that Salisbury University (Title IV Code 002091) is to receive the information.

The University's financial aid deadline can be found on the financial aid website. Although incoming freshmen and transfer students are not offered financial aid until they have been formally admitted to the University, they must meet the same application deadline. Immediate processing of new applications or announcements of results prior to the beginning of the school year cannot be assured; therefore, an alternate arrangement for bill payment should be made. If funds are still available, cases will be processed during the school year.

DISBURSEMENT OF FINANCIAL AID

Financial aid is disbursed to the semester bill once all required actions have occurred to allow disbursement. Required actions may include: accepting the aid offer, providing requested documentation and completing promissory notes and entrance counseling. Students must be enrolled and have completed all required steps in the financial aid process before aid is permitted to disburse to their semester bill.

If there is a credit balance due to the student after all charges have been deducted, a refund will be processed for the student as early as the first week of classes. For credit balances that occur near or after the beginning of the term, the excess funds will be available within two to three weeks. Students have the option of receiving excess funds by check or electronic deposit.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

Undergraduate Policy

Federal regulations require that institutions of higher education establish minimum standards of "Satisfactory Academic Progress" (SAP) for potential and current financial aid recipients. Financial aid applicants must comply with the SAP Policy as a condition of initial or continued eligibility. Please note that a student's prior academic progress will be measured to determine his or her eligibility. The Financial Aid Office will review SAP at the end of each payment period (fall, spring and summer).

Financial aid programs that are affected by the SAP Policy include: Federal Pell, Federal TEACH, Federal SEOG, Federal Work Study, Federal Direct Stafford Loan, Direct PLUS Loan, Salisbury University funding, TRIO Grant, Partnership for Success Grant and State grants/scholarships.

SAP for undergraduates is measured in three areas: maintaining a satisfactory cumulative grade point average, successfully completing a required percentage of attempted credits and receiving a degree within a maximum timeframe.

► Minimum Cumulative Grade Point Average

Undergraduate students must maintain the required cumulative grade point average necessary for continued enrollment at SU. Therefore, they must maintain an academic standing consistent to the Undergraduate Scholastic Standards as outlined below:

Total Credits Earned (Including transfer credits)	Minimum SU Cumulative GPA
Fewer than 30	1.400
30-35	1.500
36-41	1.600
42-47	1.700
48-53	1.800
54-59	1.900
60 or more	2.000

► Minimum Credit

All undergraduate students must have successfully completed at least 67 percent of all credits attempted.

How do I calculate my percentage completed?

An attempted credit includes graded courses (A, B, C, D, F) and non-graded courses (I, PS, S, CS, AU, W, WF, WP, NR, IP, RA, RB, RC, RD, RF, X, Advanced Placement, CLEP, Departmental Challenge Exams, International Baccalaureate Exams, Military Education Credit, study abroad attempted credits, credits excluded in Academic Clemency, accepted transfer credits).

To calculate the percentage of credits a student has completed, total all attempted credits and total all completed credits. (See the Repeat Course section in the University Catalog for further information regarding repeating of courses) Then, divide the number of completed credits by the number of attempted credits.

$$\text{Total Completed Credits} / \text{Total Attempted Credits} = \text{Percentage Completed}$$

Students placed on warning after the first occurrence for one or both of the above requirements (Minimum Cumulative Grade Point Average/Minimum Credit Requirement) must meet all SAP requirements after the next consecutive payment period in which they are enrolled or financial aid eligibility will be terminated.

► Maximum Time Frame

Undergraduate students seeking their first bachelor's degree must earn their degree, regardless of their program of study, within their first 180 attempted credits. Students who have not earned a degree within their first 180 attempted credits, whether they have previously received financial aid or not, will lose their financial aid eligibility.

What Counts as Attempted Credits?

An attempted credit includes graded courses (A, B, C, D, F) and non-graded courses (I, PS, S, CS, AU, W, WF, WP, NR, IP, RA, RB, RC, RD, RF, XD, XF, Advanced Placement, CLEP, Departmental Challenge Exams, International Baccalaureate Exams, Military Education Credit, study abroad credits, credits excluded in Academic Clemency, all transfer credits accepted by SU). Ex. John has 30 transfer credits accepted by SU and had registered for 15 credits at SU for the fall 2017 semester but only obtained 12 credits at the conclusion of the fall 2017 semester. His attempted credits are 45.

Undergraduates Seeking First Bachelor's Degree

A financial aid eligibility termination letter will be sent to those students who have attempted more than 180 credits.

Undergraduates Seeking Second Bachelor's Degree

A financial aid eligibility termination letter will be sent to those students who have attempted (includes attempted credits/transfer credits from first bachelor's degree) more than 270 credits.

▶ Appeal Process

If a student is placed on warning, he or she does not need to appeal, because financial aid eligibility has not been revoked. A student who has had his or her financial aid eligibility terminated has the right to make a written appeal if extenuating circumstances exist and can be documented.

▶ Additional Information

Academic dismissal or disciplinary suspension from SU will result in the automatic cancellation of financial aid eligibility.

Only matriculating students (formally admitted) can receive financial aid.

The Financial Aid Office is not permitted to exclude credits/grades for students granted Academic Clemency.

Students ceasing attendance at SU, either officially by withdrawing through the Registrar's Office or unofficially by dropping out, will have their financial aid adjusted in accordance with the Federal Return of Title IV Funds Refund Policy.

Graduate Policy

Federal regulations require that institutions of higher education establish minimum standards of "Satisfactory Academic Progress" (SAP) for potential and current financial aid recipients. Financial aid applicants must comply with the SAP Policy as a condition of initial or continued eligibility. Please note that your prior academic progress will be measured to determine your eligibility. The Financial Aid Office will review SAP at the end of each payment period (fall, spring and summer).

Financial aid programs that are affected by the SAP Policy include the Federal Direct Stafford Loans, Federal TEACH Grant and state grants/scholarships.

SAP for graduates is measured in three areas: maintaining a satisfactory cumulative grade point average, successfully completing a required percentage of attempted credits, and receiving a degree within a maximum timeframe.

▶ Minimum Cumulative Grade Point Average

Graduate students must maintain the required cumulative grade point average of at least a 3.00.

▶ Minimum Credit

All graduate students must have successfully completed at least 67 percent of all credits attempted.

How do I calculate my percentage completed?

An attempted credit includes graded courses (A, B, B+, C, C+, D, F) and non-graded courses (I, AU, W, WF, WP, NR, IP, RA, RB, RB+, RC, RC+, RD, RF, Departmental Challenge Exams, Study Abroad, transfer credits accepted toward a student's program)

To calculate the percentage of credits a student has completed, total all attempted credits and total all completed credits. (See the Repeat Course section in the University Catalog for further information regarding repeating of courses) Then, divide the number of completed credits by the number of attempted credits.

Total Completed Credits/ Total Attempted Credits = Percentage Completed

Students placed on warning after the first occurrence for one or both of the above requirements (Minimum Cumulative Grade Point Average/Minimum Credit Requirement) must meet all SAP requirements after the next consecutive payment period in which they are enrolled or financial aid eligibility will be terminated.

▶ Maximum Time Frame

The federal government requires a graduate student to obtain his or her degree within a given time frame to remain eligible to receive financial aid. A student is allowed to have attempted up to 150 percent of the required credits for a graduate degree and still receive financial aid. The published length for a student to obtain his or her degree varies according to the degree sought. Refer to the SU Catalog to determine the published length required for the degree.

What Counts as Attempted Credits?

An attempted credit includes graded courses (A, B, B+, C, C+, D, F,) and non-graded courses (I, AU, W, WF, WP, NR, IP, RA, RB, RB+, RC, RC+, RD, RF, and Departmental Challenge Exams, study abroad attempted credits, all transfer credits accepted by SU). Ex. John has three transfer credits accepted by SU and had registered for nine credits at SU for the fall 2017 semester but only obtained six credits at the conclusion of the fall 2017 semester. His attempted credits are 12.

A financial aid eligibility termination letter will be sent to those students who have attempted more than 150 percent of the required credits necessary to obtain a degree.

▶ Appeal Process

If a student is placed on warning, he or she does not need to appeal, because financial aid eligibility has not been revoked. A student who has had his or her financial aid eligibility terminated has the right to make a written appeal if extenuating circumstances exist and can be documented.

▶ Additional Information

Academic dismissal or disciplinary suspension from SU will result in the automatic cancellation of financial aid eligibility.

Only matriculating (formally admitted) students can receive financial aid.

The Financial Aid Office is not permitted to exclude credits/grades for students granted Academic Clemency.

Students ceasing attendance at SU, either officially by withdrawing through the Registrar's Office or unofficially by dropping out, will have their financial aid adjusted in accordance with the Federal Return of Title IV Funds Refund Policy.

**FINANCIAL AID
REPEAT GRADE POLICY**

Federal regulations specify that students may receive federal financial aid funding for one repetition of a previously passed course. The regulation limits the number of times a student may repeat a course and receive federal financial aid for that course.

Examples of repeated coursework that **may** count toward a student's enrollment status for purposes of determining federal financial aid eligibility are listed below:

- Repeated coursework may be included if the student withdrew (W) or received a failing grade (F). A student may repeat a failed course until it is passed.

- Repeated coursework may be included when determining enrollment status in a term-based program if a student needs to meet an academic standard for a particular passed course, such as a minimum grade. Ex: Student received a D in a course that requires a minimum grade of C for his or her major.

Examples of repeated coursework that **may not** count toward a student's enrollment status for the purpose of determining federal financial aid eligibility are listed below:

- Retaking a passed course more than once. If a student receives a D in a course and decides to repeat the course to improve his or her GPA, he or she may repeat this passed course one time. However, if the student wants to repeat it a second time, the course would not count toward the student's enrollment status.

Additional Information

All repeated courses affect financial aid satisfactory academic progress calculations, regardless of whether the student received financial aid or not, all repeated coursework must be counted as attempted credits.

Certain course descriptions listed in the Salisbury University Catalog may state that a specific course "must be repeated for degree" or "may be repeated for credit if content differs"; a student may receive financial aid for these courses, regardless if a passing grade has been received, as long as the course content is different. This regulation applies whether or not the student received aid for the earlier enrollments in the course.

AUDIT POLICY

Courses that are audited do not count toward required enrollment for financial aid purposes.

FINANCIAL AID PROGRAMS

Federal Grants and Loans

▶ Federal Pell Grant

The Federal Pell Grant is an entitlement program for undergraduate students who have not earned a bachelor's degree. Federal Pell Grants are considered a foundation of federal financial aid, to which aid from other federal and nonfederal sources might be added. Eligibility is dependent on the results from filing the Free Application for Federal Student Aid (FAFSA). The maximum Pell Grant award is \$5,920 and is dependent on enrollment status as full or part time.

▶ Federal Supplemental Educational Opportunity Grant (FSEOG)

The Federal Supplemental Educational Opportunity Grant (FSEOG) program is for undergraduate students with exceptional financial need. Students eligible for the Federal Pell Grant receive priority consideration for the FSEOG. Awards amounts range from \$100 to \$1,000 per year.

▶ Federal Work Study (FWS)

The Federal Work Study Program provides jobs on and off campus to degree-seeking students with demonstrated financial need. These jobs are usually assigned as part of the financial aid package. If possible, students are employed in

positions related to their academic major or special interest. Students receive minimum wage and are paid every two weeks for hours worked.

▶ William D. Ford Federal Direct Student Loan Programs

Salisbury University participates in the William D. Ford Federal Direct Student Loan Programs (Direct Loan).

The Direct Loan enables degree-seeking students enrolled at least half time to borrow money directly from the federal government rather than private lending institutions (i.e., banks, credit unions). Loans can easily and quickly be obtained by submitting the Free Application for Federal Student Aid (FAFSA) and signing a Promissory Note. Undergraduate students can borrow up to \$5,500 per annum for the freshman year, \$6,500 for the sophomore year and \$7,500 for the third through fifth year. Graduate students can borrow up to \$20,500 per annum. Repayment begins six months after recipients drop below six credits.

Parents also may borrow through the William D. Ford Federal Direct PLUS Program. Parents may borrow up to the cost of attendance at the institution minus other estimated financial assistance for the student. Parents may choose to defer payments until six months after the date the student ceases to be enrolled at least half time. Accruing interest could either be paid by the borrower monthly or quarterly, or be capitalized quarterly. Parents must complete a promissory note.

Information on the William D. Ford Federal Direct Student Loan Programs is available in the Financial Aid Office.

▶ Salisbury University Funding

The Salisbury University Fund is for full-time, first bachelor's degree-seeking undergraduate students who have established financial need by completing the Free Application for Federal Student Financial Aid. These grants are usually awarded in combination with other financial aid awards, considering academic performance and financial need.

▶ Veterans' Benefits

Financial aid is available for veterans and their dependents who are eligible for GI benefits. These benefits are processed by the Salisbury University Office of Veteran Affairs, located in the Registrar's Office.

▶ Work Experience

Campus employment information is available through Career Services. Students can apply for jobs without having to apply for financial aid and are hired based on job availability and skills.

Maryland Higher Education Commission Programs

▶ State Scholarships

The State of Maryland each year awards **Guaranteed Access grants, Rawlings Educational Assistance grants, House of Delegates** and **Senatorial scholarships** to legal residents of the state. To apply, students need to complete the FAFSA.

The application deadline is March 1 for the following academic year.

For a list of all State of Maryland scholarships go to www.mhec.state.md.us.

UNDERGRADUATE SCHOLARSHIPS

In addition to the following scholarship information, additional detail on scholarship policies is located at www.salisbury.edu/finaid/scholarshipolicies.

Salisbury University is pleased to recognize the accomplishments of its most outstanding students with academic scholarships. Each year, the University awards over one million dollars in scholarships to freshman recipients who demonstrate outstanding potential for college success through their high school performance and results on the Scholastic Assessment Test (SAT) or ACT.

Many of the scholarships are from Salisbury University Foundation's endowments for the Charles R. and Martha N. Fulton School of Liberal Arts, the Richard A. Henson School of Science and Technology, the Franklin P. Perdue School of Business, the Samuel W. and Marilyn C. Seidel School of Education, and the Alan and Patti Guerrieri Scholarship Fund. (See "Note" below.)

For entering freshmen, following their admission, recipients will be notified of academic scholarships. Some scholars will be selected to apply for prestigious named scholarships based on their academic credentials, intended majors and geographic regions. The details of actual funding sources for freshman scholarship awards will be provided at the conclusion of the scholarship and financial aid process in late spring. Students use the Academic Works website to apply for University Foundation scholarships.

To determine eligibility for the list of undergraduate scholarships, refer to these codes following the scholarship name:

- F - Scholarships for Entering Freshmen**
- C - Scholarships for Current Undergraduate Students**
- B - Scholarships for Both Entering Freshmen and Current Undergraduate Students**
- T - Scholarships for Transfer Students**

Below you will find a listing of scholarships available to students with brief information about the scholarship qualifications. To apply to scholarships that require an application, current and admitted students must first sign in at <http://salisbury.academicworks.com> with your SU username and password. You then will have the opportunity to complete a General Application and, if applicable, apply for any specific scholarships that you have been recommended to by Academic Works based on your University credentials. The scholarship cycle begins in mid-January for the upcoming academic year.

▶ Andes Family Scholarship (C)

The Andes Family Scholarship is awarded to a student in the Seidel School of Education in the Early and Elementary Education Department or Secondary and Physical Education Department. This scholarship funds in-state tuition for one student each year and is non-renewable. To be eligible for consideration students must be Maryland residents at senior grade level in the capstone or internship phase of their program and be enrolled full time in a teacher education program. The recipient must also have a cumulative 3.5 GPA or higher and have demonstrated financial need as evidenced by the FAFSA. The Financial Aid Office Scholarship Committee selects the recipient.

▶ Anonymous Donor Scholarship (B)

This scholarship, provided by an anonymous donor, is available to an incoming or current Salisbury University student pursuing an undergraduate degree. Students must be full time, a Maryland resident and demonstrate financial need from the FAFSA. Applicants are prioritized by the highest academic potential or achievement. Selection for this scholarship is made by the Financial Aid Office. The scholarship can be renewed if criteria continue to be met and funding is available.

▶ Art Department Scholarships (F & T)

The Art Department offers a limited number of merit-based scholarships each year to accepted full-time freshmen or transfer students majoring in art. Scholarships are available with the opportunity to renew the following year.

▶ S.P. Baker Scholarship (F)

The S.P. Baker Scholarships provides one scholarship per year for an incoming freshman geography or earth science major in the Henson School. It recognizes the student's academic achievements, financial need, and leadership and involvement, specifically in the fields of geography or earth science.

▶ Thomas E. Bellavance Honors Scholarship (F)

This scholarship in memory of President Thomas E. Bellavance (1980-95) is made to an incoming freshman with outstanding credentials. To apply for the scholarship a student must apply for admission to the University by February 1 with an intention of participating in the Bellavance Honors Program. The scholarship is renewable with maintenance of a 3.3 grade point average and continued enrollment as a Bellavance scholar. The recipient is selected by the director of the Honors Program.

▶ Nettie C. Bentley Scholarships (B)

The Music, Theatre and Dance Department offers the Nettie C. Bentley Scholarships which are available, on a competitive basis, to students who are accepted or previously enrolled as candidates for the B.A. in music at Salisbury University. Scholarships are awarded annually. To qualify for consideration, applicants must audition according to the Music, Theatre and Dance Department requirements for the B.A. degree. Evidence of academic achievement is assessed through evaluation of applicants' high school or college/university transcripts. Applicants must submit an essay of not more than 500 words discussing career goals in music, and two sealed letters of recommendation from individuals qualified to assess the students' musical abilities. The application deadlines coincide with the deadline for department entrance auditions or March 14, whichever comes first. Students may reapply annually.

▶ Beta Gamma Sigma Scholarship (C)

This \$1,000 scholarship is awarded to a junior, senior or master's student. The chapter may select a current chapter member, an alumnus of the chapter or a student who will be invited to become a Beta Gamma Sigma member during the spring of the nominating year. Each chapter's scholarship recipient must complete the Beta Gamma Sigma scholarship application, including the required essay. Funding for this scholarship is from the Beta Gamma Sigma Society and the dean of the business school. Please see the Perdue School for details.

Note: Salisbury University reserves the right to adjust any institutional scholarship monies if scholarship awards are in excess of the published cost of attendance.

▶ **Bobbi Biron Theater Scholarships (F)**

The Bobbi Biron Scholarship is awarded to an incoming freshman who has achieved a 3.0 high school GPA and shown outstanding dedication and promise in theatre. An audition and interview are required for performances and a review of a portfolio review and interview is required for designers/technicians. Recipients may qualify for scholarship renewal if the achievement are met, including a 3.0 GPA and participation in theatre productions. Contact the Music, Theatre and Dance Department for more information.

▶ **Claude Bowdle Nursing Scholarship (C)**

The Claude Bowdle Nursing Scholarship recognizes an entering first-degree junior nursing major or entering second-degree nursing major. Minimum qualifications include the following: must be enrolled full time in the nursing program, be in good standing in the department with a GPA of 3.00 or better, and demonstrate financial need. Preference is given to applicants who are residents of Wicomico, Dorchester, Worcester or Somerset counties. Further information is available from the Nursing Department.

▶ **Clinton Bradway Jr. Scholarship (C)**

This scholarship is awarded to a junior or senior education major. Recipients of this renewable scholarship must meet the following criteria: be a resident of Dorchester County, agree to teach in Dorchester County upon graduation—one year for each year of funding* and be admitted into the Professional Teacher Education Program at Salisbury University. Verification of financial need must also be submitted (FAFSA).

*Note: Failure to fulfill the county teaching obligation will result in recipient's obligation to return the scholarship funding plus 10 percent APR Interest within five years.

▶ **Brunkhorst Nursing Scholarship (C)**

This Brunkhorst Nursing Scholarship annually recognizes a junior level first degree nursing major who is academically gifted and demonstrates outstanding potential for a career in nursing. Minimum qualifications include junior level status as of the upcoming fall semester, a minimum cumulative GPA of 3.0, permanent residence of the Eastern Shore of Maryland and demonstrated financial need. The applicant must submit a completed application form, two letters of recommendation—one of which must be from a nursing faculty member, along with a letter stating the basis for financial need.

The Student Policies Committee reviews applicants and selects the recipient of this one-year scholarship. Information is available from the Department of Nursing.

▶ **Garland D. and Vivian J. Bull Nursing Scholarship (C)**

The Garland D. and Vivian J. Bull Nursing Scholarship recognizes an academically gifted nursing student who has demonstrated financial need. Minimum qualifications are as follows: a junior/senior traditional or registered nurse student with at least a 3.0 grade point average; a letter of application to the Student Policies Committee, Department of Nursing; a statement of financial need; a self-evaluation of potential for professional nursing and service; and two recommendations, at least one of which must be from a nursing faculty member.

The Student Policies Committee selects recipients of the scholarship, awarded annually for the following academic year. Information is available from the Department of Nursing.

▶ **Thomas and Jeanne P. Bulleit Scholarship (C)**

The Thomas and Jeanne P. Bulleit scholarship is awarded to a junior or senior student enrolled in an elementary education major in the Seidel School at SU. Student must be a Maryland resident with demonstrated financial need and have a cumulative GPA of 3.0 or higher. The award is renewable for up to two academic years and is awarded through the Seidel School of Education.

▶ **William Chaney Bunn Memorial Scholarship in Environmental Studies (B)**

William Chaney Bunn was a 2014 graduate of Salisbury University who was killed in an industrial accident in March 2016. Awarded to a Salisbury University undergraduate, full-time student with a minimum 2.5 cumulative GPA. Must be an environmental studies major and demonstrate involvement in environmental activities or other organizations outside the education setting by an essay or other means. Preference is given to a student from Anne Arundel County, then other Maryland residents. The scholarship is renewable if the recipient has a 3.0 minimum cumulative GPA for up to three times after the initial award (contingent on funding availability).

▶ **Burke Family Information Systems Scholarship Program (C)**

The scholarship recognizes an information systems major who has demonstrated outstanding potential in the information technology field. The \$500 scholarship in nonrenewable and is awarded to a rising sophomore or junior in good standing in the Perdue School of Business. Students must be full time and have a minimum 3.0 GPA in all college work already completed, including transfer work, if any. Particular consideration is given to students that are actively involved with information systems and technology and are interested in becoming a business analyst, technology specialist, project manager or information technology consultant.

▶ **Byron Scholarship (F)**

These scholarships assist deserving students from Dorchester County, MD, who demonstrate leadership qualities, entrepreneurial inclination, a desire to pursue a degree from Salisbury University and the wish to return to Cambridge some of the benefits of their education. This award is not necessarily given on the basis of high scholastic rank or financial need. Details may be obtained from the Admissions and Financial Aid offices.

▶ **Cahall Scholarship (F)**

The Clifford and Elizabeth Cahall Scholarship was established by Sam and Lynn Seidel in honor of Lynn Seidel's parents, Clifford and Elizabeth Cahall. The scholarship is awarded to a Sussex County, DE, high school graduate. Although any Sussex County graduate is considered, first priority is given to a graduate of Indian River High School and second priority is given to a graduate of Sussex Central High School.

The scholarship is awarded annually to a student with a minimum 3.0 grade point average. Class rank, SAT scores and financial need are considered. Provided recipients maintain a 3.0 grade point average, the scholarship will continue throughout the four years at SU. The selection committee from the Admissions/Financial Aid offices determines the applicant pool and the recipient by March 1 of each year.

▶ **Calafiura Scholarship (C)**

This \$1,500 scholarship is awarded to a full-time senior or rising senior accounting major for his/her final one or two

semesters. Students must have completed, or be in the process of completing at the time of application, the following courses: two principles courses, two intermediate courses and one elective accounting course. The student must be eligible with and maintain a minimum of a 2.8 overall GPA, with a minimum 3.0 GPA in all accounting courses. The most recent completed semester's GPA will be utilized. Interested applicants must apply in writing to obtain consideration for this scholarship. Applications may be obtained from the Accounting Department chair of the Perdue School.

► **Dick '50 & Betty Calcott '53 Wootten Scholarship (C)**

This fund provides scholarships for current students in the Seidel School. It is awarded to a teacher education major who has demonstrated promise, whose pursuit of excellence is foremost, and whose habits reflect professionalism in and out of the classroom. Students must be full-time, declared major in a teacher education major, junior or senior grade level, 3.0 cumulative GPA and demonstrate academic merit. This is a non-renewable scholarship.

► **Cannon Scholarship (F)**

The Elizabeth Cannon Memorial Scholarship is for entering freshmen who have excelled academically in high school. Priority is given to a high school graduate with a genuine need for financial assistance from Caroline County or the other eight Eastern Shore counties in Maryland.

For consideration, students must apply for admission to the University by February 1. Applicants who meet the scholarship criteria are informed of their eligibility by the dean of enrollment management.

The scholarship may be renewed for a maximum of four years, provided the student maintains a 3.3 grade point average each semester.

► **Carey-Simmons Education Scholarship (C)**

This scholarship is awarded to a full-time student pursuing a career in public school education in Maryland. To qualify, applicants must have been residents of the Pittsville, Willards, Powellville or Gumboro election district of Wicomico County, MD, for at least five years and must have completed two years of successful undergraduate study. Applicants are judged on merit, achievement and potential. The Education Scholarships/Awards Committee selects recipients of the scholarship in March for the following academic year. Information and online application are available on the Seidel School home page.

► **Christopher Scholars Program in Education (B & T)**

The Christopher Scholars Program provides scholarships to full-time students majoring in education with a 3.30 minimum grade point average in high school and/or a junior professional program student with a minimum 3.5 cumulative grade point average who has financial need (established by completing the Free Application for Federal Student Aid by March 1). The scholarship may be renewed provided the recipient remains an education major with a minimum 3.3 grade point average and has continued financial need.

► **Clark Family Music Scholarship (F)**

The Clark Family Music Scholarship provides financial support for incoming freshman students who have been accepted into a music major in the Fulton School of Liberal Arts. It is awarded to a music major who has demonstrated promise in the growth as an artist. Students must be enrolled full time and participate in an audition with the music program.

Please contact the music program for specific information regarding the awarding of this scholarship and its criteria.

► **Rochelle M. Clarke Scholarship (C)**

Rochelle M. Clarke was a graduate of the Perdue School of Business at Salisbury University and has established two distinct scholarships to provide financial assistance for high-achieving students majoring in business-related fields. The recipient of each of the scholarships must be admitted as a full-time student to the Perdue School of Business at a junior or senior grade level, have a cumulative GPA of 3.5 or higher and must demonstrate financial need as evidenced by the FAFSA. The first recipient must also be matriculated into the Thomas E. Bellavance Honors Program. The second recipient must be an international student with a declared double major with at least one major being in the Perdue School of Business. Both scholarships are awarded for \$750 for the academic year and may be renewed for one additional year provided the recipient still meets the eligibility criteria.

► **Class of 1943 Scholarship (C)**

The Class of 1943 Scholarship was established to provide funding for a rising junior education major. The scholarship is awarded for two successive years to a student majoring in education in the Seidel School of Education. The selection committee from the Seidel School and the Financial Aid Office determines the applicant pool and recipient each year.
