THIS CHECKLIST IS AN UNOFFICIAL TOOL FOR PLANNING.
 Matriculated students and advisors should consult the Academic Requirements Report in GullNet before and after registering for classes each semester to track academic progress.

PROGRAM POLICIES

- The program follows a cohort model that requires all students to be enrolled full time for two academic years, including summer terms. Matriculation of a cohort begins Summer I session with an introductory course.
- The curriculum features 42 credit hours of coursework specifically devoted to the athletic training domains.
- All 42 credit hours must be completed at SU.
- Students must maintain a minimum GPA of 3.0, with grades no lower than C and no more than six credit hours of C or C+ in the program.
- Once formally admitted to SU's athletic training program, students are required to complete two years of clinical experiences and demonstrate mastery of clinical proficiencies through four successive clinical proficiency courses: ATTR 505, 555, 605 and 655.
- Students are required to complete a minimum of 180 (300 maximum) clinical experience hours under direct preceptor supervision as part of each proficiency course. Clinical sites are assigned on an individual basis and are based on the student's long-term professional goals.

Advisement for the program is available from the Health and Sport Sciences Department.
