

FACULTY AND NATIONAL FELLOWSHIPS

What you can do to help

- Identify top students and campus leaders.
- Include fellowship information in the curriculum.
- Sign up with SNCFO to advise/serve on interview committees for fellowships.
- Check with the Director of SNCFO or on our web-site before writing fellowship recommendations. Many of the fellowships are looking for specific information.
- Help spread the news about SNCFO in your department— if a colleague mentions a great student, tell them to send him/her to the office.
- Encourage students to apply for fellowships while an undergraduate; for instance in the sciences, students could apply for an NSF REU summer experience.
- Get familiar with the fellowships, particularly in your area of expertise.
- Remember it takes a village to raise a Rhodes Scholar!

List of Major Nationally Competitive Fellowships and 2013-14 due dates

| Fellowship | SU Due Date | Nat'l Due Date |
