

CONNECTING TO THE SALISBURY UNIVERSITY WIRELESS NETWORK

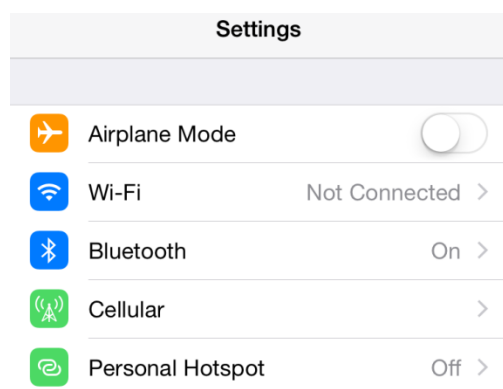

This document will give you instructions on how to connect your Apple iPhone/iPad to our wireless network with the SU-Connect automated system. If that system does not work for your setup, follow the instructions on how to connect to SU-Secure directly.

AUTOMATED SYSTEM INSTRUCTIONS

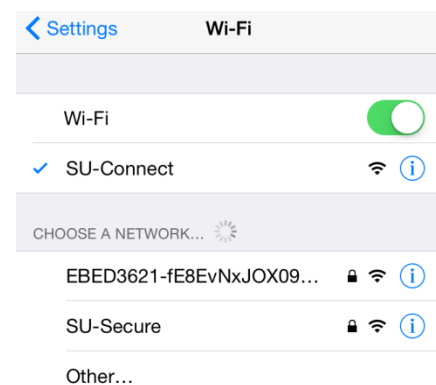

Open **Settings**.

Click **Wi-Fi**.

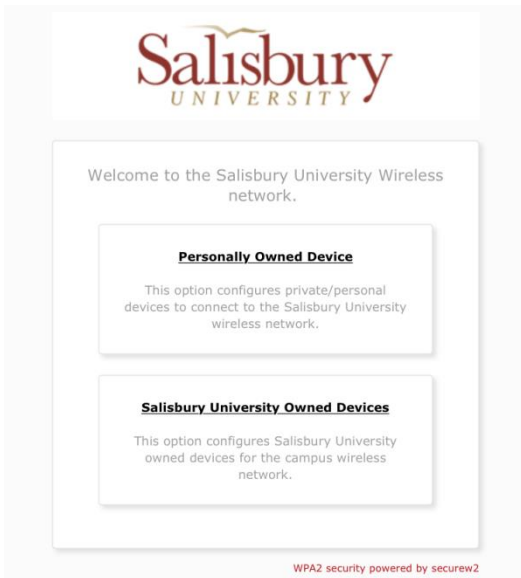

Select **SU-Connect**.

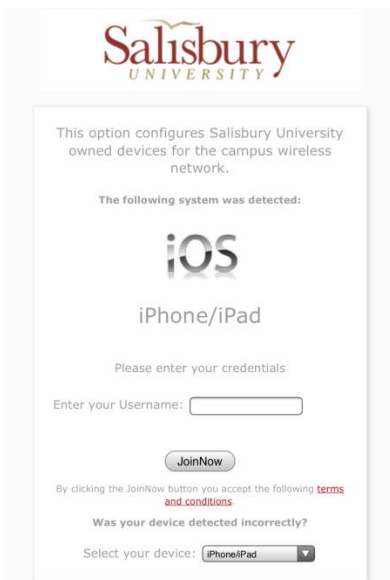

Open a web browser, such as **Safari**, and navigate to <http://connect.salisbury.edu>.

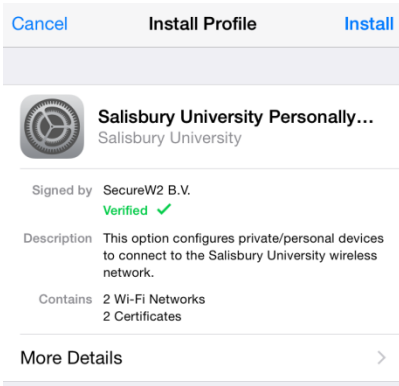

Choose **Personally Owned Device** or **Salisbury University Owned Devices**.

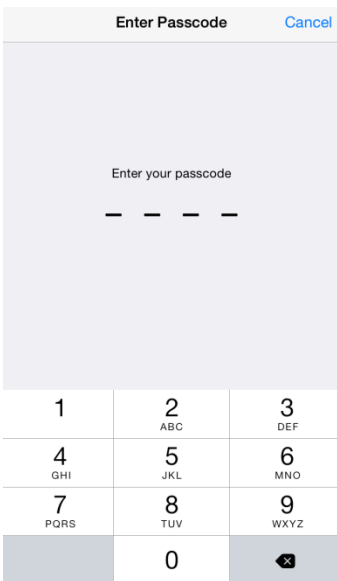

Enter your Salisbury University Username and click **JoinNow**.

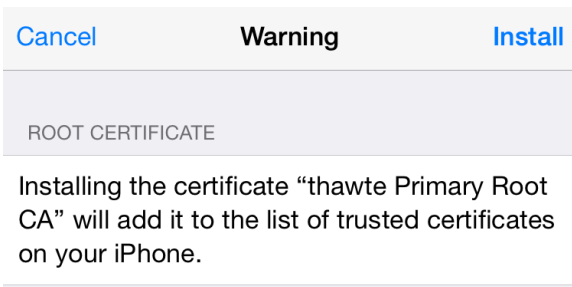

Click **Install**, to install the **Profile**.

Enter your device **Passcode**.

Click **Install** when you see the **Root Certificate Warning**.

Enter your current Salisbury University Password and click **Next**.

Cancel **Enter Password** Next

ENTER YOUR PASSWORD FOR THE WI-FI ACCOUNT
"BACOTTER"

●●●●●●●●●● ✕

Requested by the "Salisbury University Personally
Owned Device MobileConfig" profile

The **Profile** is now installed. Click **Done**.
