	Subtitle: Gender, Sexuality, Human Right NOTE: The course explores themes of gender equality, human rights, feminist activism, power and privilege, and their implications for conflict and conflict resolution. It covers diverse topics, such as gender-based violence in wartime, the experience of gay men and lesbians in militaries around the world, discriminatory and exclusionary policies that limit career advancement opportunities for women in diverse organizational settings, including the military.								
*1207	CADR 405-701	SPECIAL TOPICS	4	LEC	MTWRF	TBA		ONLINE	OZOKE
	Subtitle: Race & Race Relations in Amer NOTE: This course examines race on legal, conceptual and practical levels. It traces the historical social construction of race, the legislation of racialized structures, the evolution of racist practices at individual, systemic, and institutional levels, and the effect of those constructions, structures, and practices on race relations in the United States. Part of this critical examination is the social location of racial and ethnic groups, including whites, as well as the intersections of race and other matrices of inequalities, such as class and gender. As a critical study, the theory underlying this course is Critical Race Theory (CRT).
